## TARGET AUDIENCE

This program is designed for both ophthalmologists and ophthalmology residents in training in the New York metropolitan area.

## NEEDS STATEMENT

The need for this conference was determined from suggestions taken during evaluations from previous courses and from examining the topics published in the recent scientific literature. Participants in the course will learn the most current concepts and practical tips for clinical practice in the following areas: External Disease, Oculoplastics, Retina, Glaucoma, and Pediatric Ophthalmology

## OBJECTIVES

The purpose of this program is to provide to the target audience information on:

Recognizing early signs of herpes simplex keratitis

Imaging the optic nerve and retina

— Choosing the latest therapy for glaucoma

— The latest techniques in cosmetic oculoplastics

## Course Moderators

Glaucoma-Wayne March MD

Oculoplastics-Monica Dweck MD

Cornea-Amilia Schrier MD

## Accreditation Statement

The State University of New York (SUNY) Downstate Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. SUNY Downstate Medical Center designates this continuing medical education activity for a maximum of 4.5 Category 1 credits toward the American Medical Association Physician's Recognition Award (AMA/PRA). Each physician should claim only those credits that he/she actually spent in the educational activity.

## Disclaimer Statement

SUNY Downstate Medical Center and its affiliates are committed to providing educational activities that are objective, balanced and as free of bias as possible. All participating faculty are expected to disclose to the audience, verbally or in writing, any commercial relationships that might be perceived as a real or apparent conflict of interest related to the content of their presentations, i.e., with companies whose products or services are related to the subject matter of the presentation or products in the research and development phase.

## ADA Statement

In accordance with the American with Disabilities Act, SUNY Downstate Medical Center seeks to make this conference accessible to all. If you have a disability which might require special accommodations, please contact Beatrice Pierre at 718-245-5460.
