3:25 PM	INDICATIONS AND OUTCOMES FOR SURGICAL REPAIR OF INVOLUTIONAL ECTROPION Dominick I. Golio, MD
3:45 PM	NEW THERAPIES FOR DIABETIC RETINAL DISEASE Eric M. Shrier, DO
MODERATORS:	CORNEA - Michael P. Ehrenhaus, MD - Douglas R. Lazzaro, MD, FACS, FFAO GLAUCOMA - Wayne F. March, MD - Shobit Rastogi, MD RETINA AND UVEITIS - Eric M. Shrier, DO

TARGET AUDIENCE

This program is designed for both ophthalmologists and ophthalmology residents in the New York metropolitan area.

NEEDS STATEMENT

The need for the conference was determined from examining the topics published in the recent scientific literature. Participants in the course will learn the most current concepts and practical tips for clinical practice in the following areas: Diabetes, Glaucoma, Pediatric Cataracts, Laser Corneal Surgeries, Macular Degeneration, and Uveitis.

OBJECTIVES

As a result of attending this program, participants will learn to:

- Improve treatment of diabetic patients
- Manage macular degeneration with current available modalities
- Improve diagnosis and treatment of uveitis
- Learn to better diagnose and manage glaucoma surgical problems
- Recognize blood flow's contribution to optic nerve disease

Accreditation Statement

The State University of New York (SUNY) Downstate Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

SUNY Downstate Medical Center designates this educational activity for a maximum of 6.5 AMA/PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclaimer

SUNY Downstate Medical Center and its affiliates are committed to providing educational activities that are objective, balanced and as free of bias as possible. All participating faculty are expected to disclose to the audience, verbally or in writing, any commercial relationships that might be perceived as a real or apparent conflict of interest related to the content of their presentations, i.e. with companies whose products or services are related to the subject matter of the presentation; or products in the research and development phase.

Special Needs

In accordance with the Americans with Disabilities Act, SUNY Downstate Medical Center seeks to make this conference accessible to all. If you have a disability which might require special accommodations, please contact Beatrice Pierre at 718-245-5460 or Nilka McLeod at 718-245-2165.
