TARGET AUDIENCE

This program is designed for ophthalmologists, ophthalmology residents, and medical students in the New York metropolitan area.

NEEDS STATEMENT

The need for the conference was determined from examining the topics published in the recent scientific literature. Participants in the course will learn the most current concepts and practical tips for clinical practice in the following areas: Glaucoma, Retina, Refractive Surgery, Cataract and Corneal Surgery.

OBJECTIVES

As a result of attending this program, participants will learn to:

- Treat surface disease with new modalities
- Manage current glaucoma issues in adults and children
- Select the proper refractive surgical procedures
- Recommend proper retinal surgery procedures

Accreditation Statement

The State University of New York (SUNY) Downstate Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

SUNY Downstate Medical Center designates this educational activity for a maximum of 7.25 AMA/PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclaimer

SUNY Downstate Medical Center and its affiliates are committed to providing educational activities that are objective, balanced and as free of bias as possible.
